**EXEMPLARY CITIZENSHIP AWARD**

*For more than 20 years of visionary leadership as President and CEO of Holy Name Medical Center in New Jersey, which again proved its mettle in the face of the COVID-19 pandemic thanks much in part to the personal efforts of the Maron family;*

*For founding leadership and a shared commitment to sustained stewardship of Hôpital Sacré Coeur, the largest public healthcare provider in the Milot region of northern Haiti, through years which saw catastrophic natural disasters intensify an already great need for healthcare in the country;*

*For honoring the memory of fellow Friars lost in the 1977 Aquinas Hall fire through selfless service and ever-deepening faith;*

*For generation-spanning Friar spirit manifest in themselves and each of their four sons, all Providence College alumni;*

*For these reasons and more, the Providence College National Alumni Association is proud to honor Michael A. Maron '81 and Diane Larkin Maron '81 with this 2021 Exemplary Citizenship Award.*
