FAITHFUL FRIAR AWARD

For leadership on the ice, where Rhonda was a member of the first Friars women's ice hockey team and shared devotion to Providence College and Friar athletics — since passed on to your two alumni children — ever since;

For commendable efforts to connect disadvantaged youth with the resources and experiences necessary to aspire and apply to college, including face-to-face encounters with Providence College students;

For philanthropic leadership as members of the 1917 Society and advocates for young alumni giving through matching gift challenges;

For these reasons and more, the Providence College National Alumni Association is proud to honor John Ollquist '75, '07P, '10P and Rhonda Padovano Ollquist '76, '07P, '10P with this 2021 Faithful Friar Award.
